ゆりめく003

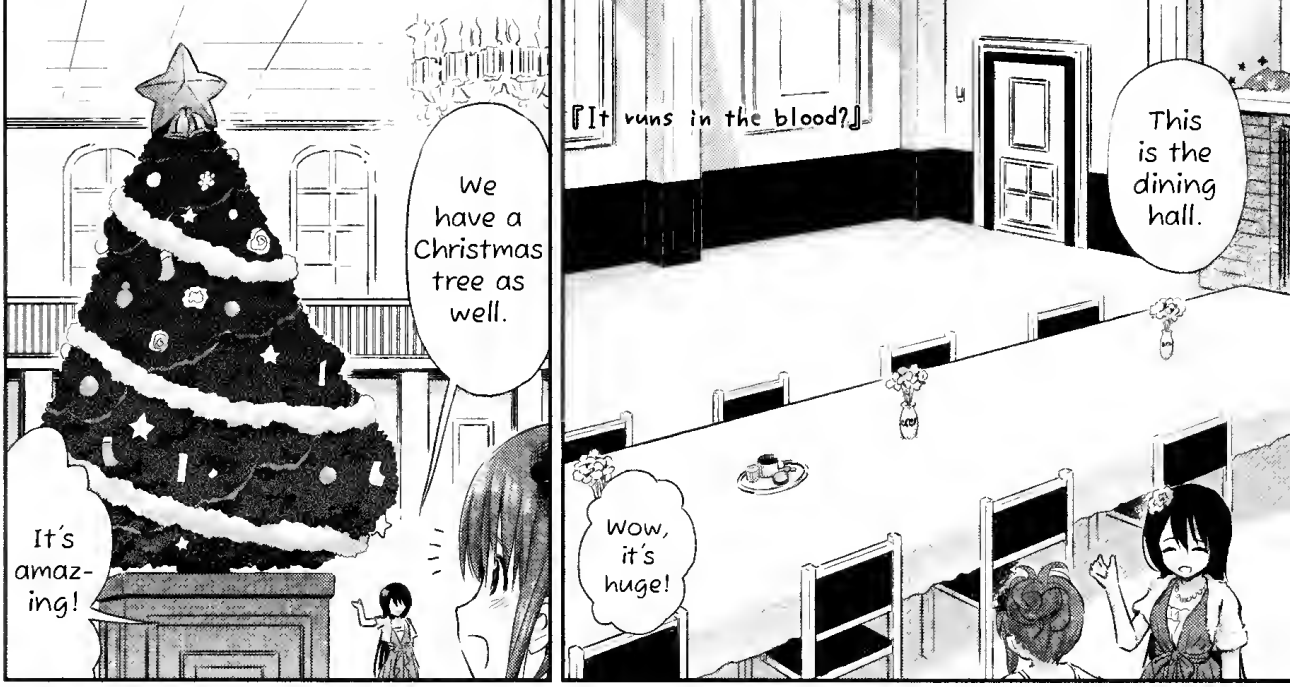
My parents are not here so make yourself at home, Sayuri.
Thank you for inviting me to this Christmas party, Yoriko-senpai.
Yes.

Wow, really?
If you want, I can lend you some-thing...

Sorry that I have just my casual clothes...

Wow, she's properly dressed up for this.

I was thinking about a dress, not a costume like this...



It's amaz-ing!
We have a Christmas tree as well.
『It runs in the blood?』
Wow, it's huge!
This is the dining hall.

A nice father you have...
As a child, I wanted Santa Claus to come here so I asked my father to make the largest fire-place in the world.

What a large hearth! It could fit a person!
This hearth is a special one...

Parents are so stupid.
That's why at this time of year my father still searches out Santa around the world for me...
giggle
So her father is like that too..!?

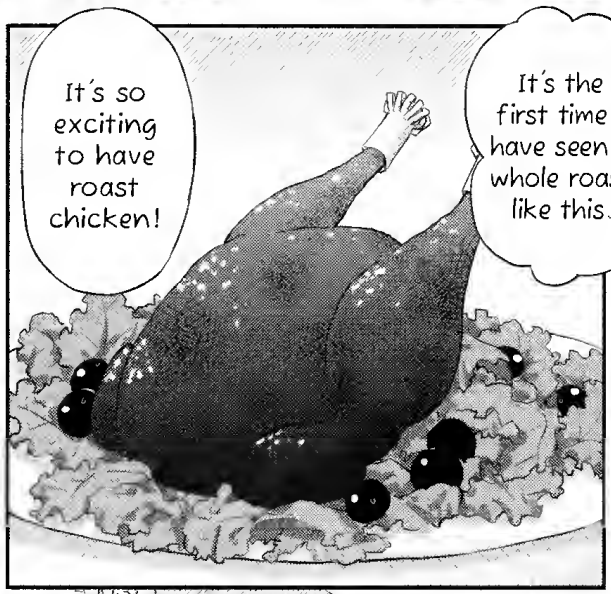
But Santa has never come here, not even once...
Could it be that Senpai still believes in Santa...?

Let's drink some champagne.
Yes!
『My heart throbs...』
I'll plug your ears so you can uncork it.
Thanks, Sayuri.
The sound is so unpleasant when you uncork this...
squee
It does make your heart throb.
In that case, I'll plug your ears too.
fwish
Erm...

I can't eat it all, but I will eat a lot.
Feel free to eat it all.

Cheers!

So Senpai still gets excited over a luxurious dinner like this... I would have thought she would have gotten used to it.
Somehow it makes me glad...

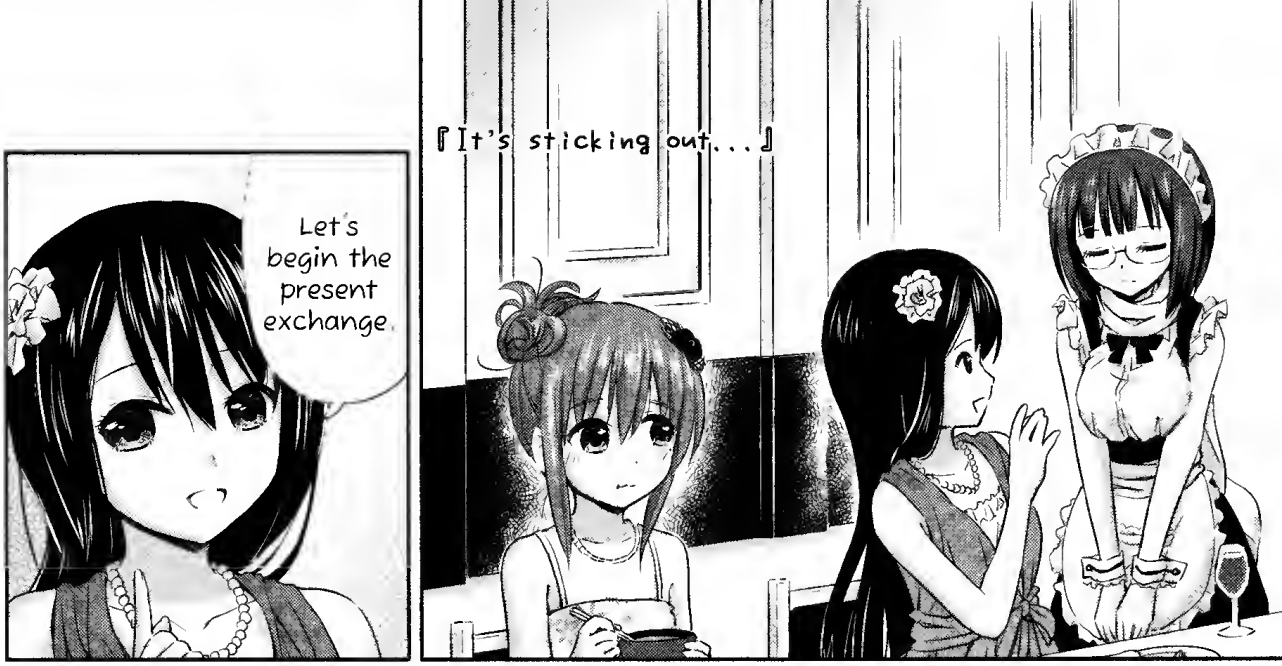


It's so exciting to have roast chicken!
It's the first time I have seen a whole roast like this.

She's getting a bit too excited perhaps...

Cot cot cooot!
SFX: tug, pull

Isn't it cute? Its name is Snow White.
It's gorgeous and cute!
Oh, a cat!
fwip
『So it's a Maine Coon.』
SFX: badum
Knowing Senpai, I don't think she thought about it but...
ドキッ
...you could take that as a confession!
If you live here, you can always be with a cat...
Cats are awesome!
I dream of living with a cat...
Look at how many nipples she has...
Press
...
She doesn't mind...?
So is Snow White a girl ...?
Yep, she is.



『It's sticking out...』
Let's begin the present exchange.

But... What if Senpai's gift is really fancy...
compared to this hat I hand-knitted ...?
かさ

SFX: Fidget

Did you bring a present?
Of course.

Don't tell what's inside yet. Let's open our presents together on the count of three.
Yes.

What might be inside this...?
That's the star on the Christmas tree...

rattle
rattle
It's a specially made gigantic Christmas cake.
Wow, it's huge!
clap
clap
It's dessert time!
Whee!
『Dream I once saw...』
Now that you mention it...
It's like a wedding cake...
But that's...
Shall we...
...cut it together?
This is almost like...
Y-Yes...
